To: Junior Members of Cattle Breeds Associations

The Holden Economic Development Committee and the Holden Junior Cattlemen Society are hosting our 3<sup>rd</sup> Annual Junior Show on Saturday & Sunday, June 24-25, 2017. This show will be held at the Holden Ag Complex: 5123-50 Street, Holden, AB.

For our first show in June 2015, we partnered with the Alberta Junior Shorthorn Association and the Shorthorn was our feature breed. We also invited 4-H'ers and juniors from other purebred associations to take part in our show. We felt that the show was a success, and we held our 2<sup>nd</sup> show on July 1-2, 2016. Plans are in place to extend the HJC Show to June 2021.

We invite you, as junior cattlemen of various breed associations, to help us grow our show and to promote your breed of cattle. Should there be at least 30 head of cattle entered in the show from a particular breed, we are willing to make that our feature breed of the show. To that end we have purebred classes as well as commercial classes in the show, and banners for the Champions and Reserve Champions.

Holden Agricultural Society, Holden Junior Cattlemen Society, and the Village of Holden look forward to hosting your families in 2017 and at future cattle shows.

Our entry forms and further information are available on the Village of Holden website (*under News & Events*): [www.village.holden.ab.ca/holden-junior-cattle-show](http://www.village.holden.ab.ca/holden-junior-cattle-show)
